Professor Srikant M. Datar

Arthur Lowes Dickinson
Professor of Accounting

Srikant M. Datar is the Arthur Lowes Dickinson Professor of Accounting at Harvard University. A graduate with distinction and a gold medallist from the Indian Institute of Management, Ahmedabad, and the Institute of Cost and Works Accountants of India, he is a Chartered Accountant and holds two masters degrees and a Ph.D. from Stanford University.

Cited by his students as a dedicated and innovative teacher, Datar received the George Leland Bach Award for Excellence in the Classroom at Carnegie Mellon University and the Distinguished Teaching Award at Stanford University. He is a co-author of Rethinking the MBA: Business Education at a Crossroads published by Harvard Business Press.

Datar's research interests are in the cost management and management control areas, which he has published in many prestigious journals. He has served on the editorial board of several journals and presented his research to corporate executives and academic audiences across the globe.

Datar serves on the Board of Directors of many corporations and has also worked with many, on consulting and field-based projects.
